

Construction Materials Testing Technicians – Baton Rouge & Metairie, Louisiana and Houston, Texas

We have immediate openings for CMT Technicians. Both experienced and unexperienced personnel will be considered for these positions.

Responsibilities: In the field, our CMT Technicians will be involved with site observation; testing; and sampling and inspection of soils, aggregates, concrete, grout, masonry, and asphalt; and visual observation and inspection of structural steel placement during construction. When not in the field, personnel will be expected to work in our soil mechanics laboratory or assist in our drilling or engineering departments.

Physical Demands: While performing the duties of this position, the employee is regularly required to talk or hear. The employee is frequently required to stand; walk; sit; use hands to finger, handle, or feel; reach with hands and arms; climb or balance and stoop, kneel, crouch, or crawl. The employee is occasionally required to taste or smell. The employee must frequently lift and/or move 50 or more pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

Work Environment: While performing the duties of this position, the employee is regularly exposed to wet and/or humid conditions; outside weather conditions; extreme cold and extreme heat. The employee is frequently exposed to moving mechanical parts. The employee is occasionally exposed to high, precarious places; fumes or airborne particles; toxic or caustic chemicals; risk of electrical shock; risk of radiation and vibration. The noise level in the work environment is usually loud.

Please forward your resume or complete this [PDF](#) and email it to info@eustiseng.com. Or if you prefer, please send your resume/application to our Human Resources Manager, Kathy LeRouge, at 3011 28th Street, Metairie, LA 70002. Thank you!
